Responsibilities (PRESENT)

SENIOR DESIGNER

With over a decade of design leadership across Dubai and Abu Dhabi, I blend creative mastery with strategic vision to deliver high-impact solutions for both public and private sectors. Six years in Abu Dhabi saw me spearhead flagship projects for ADNOC, the Ministry of Education, ADSSC, Tadweer, and the Environment Agency—transforming complex government initiatives into clear, compelling visuals. In Dubai, I've partnered with industry pioneers like ITSEC (cybersecurity), SecureVisa Group (business consultancy)

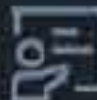

Essential Functions:

Branding
Create cohesive identities that resonate.

Design
Produce visuals with advanced tools.

Mentoring
Coach junior designers for growth.

Analytics
Extract insights to optimize performance.

Automation
Implement AI tools for efficiency.

Collaboration
Align efforts with business objectives.

Responsibilities (PRESENT)

UI/UX WEB DESIGNER

As a UI/UX Web Designer specializing in Webflow, I craft interactive, responsive landing pages optimized for SEO. Utilizing Visual Studio to integrate custom HTML and CSS, I merge code scripts seamlessly into Webflow's designer. From user research and content creation to wireframing and
